thanks for the clarification, Cindy. It is an annoying feature of Lotus that delegated invitations drop off the radar permanently. Look forward to talking with you and the other ORD Pavillion team members.

Hi Ayn,

Thank you for your scheduling the subject meeting. Alice and I will be attending the meeting you have scheduled for Wednesday, 2/13 at 1pm EST.

The original invite came while I was in China and my assistant delegated it to Alice. We have kept the meeting on my calendar but are not able to accept the invite since the original was delegated.

I look forward to speaking with you on Wednesday.

Kind regards,

Cindy

I'd like to clarify ORD's intentions with respect to this discussion, which I think we fairly urgently need to have. Alice had asked that I wait until Cindy's return to schedule this, which I was happy to do. However, Cindy has delegated the invitation to Alice, Gary has declined for the second time, and I haven't heard from Dave. Perhaps it would be more effective if the ORD folks were to get together and decide who needs to be in this conversation from ORD, and come up with some options for a date and time. I have been asked by Jim to proceed, but am at a bit of a loss as to how to get this moving forward. thanks, all, for your attention to this.
